

QUALITY POLICY

The Quality Policy of **ENERGY TEC** is the driving force to commit ourselves to establish and implement Quality Management principles enshrined in the various clauses of the **ISO 9001:2015** standard, so as to achieve comprehensive customer satisfaction, first time, every time and all the time.

We are committed to **Customer Focus, Management Leadership, Involvement of People, Process Approach, Systems Approach, Continual Improvement, Factual Approach to Decision Making** and **Mutually Beneficial Relationship with all the Stakeholders**, in our Fabrication and Erection Activities of Steel Structures and Piping accordingly.

1st January 2023
